### §§ 4287.159–4287.168 [Reserved]

#### § 4287.169 Future recovery.

After a loan has been liquidated and a final loss has been paid by the Agency, any future funds which may be recovered by the lender will be pro rated between the Agency and the lender based on the original percentage of guarantee.

#### § 4287.170 Bankruptcy.

The lender is responsible for protecting the guaranteed loan and all collateral securing the loan in bankruptcy proceedings.

(a) *Lender's responsibilities.* It is the lender's responsibility to protect the guaranteed loan debt and all of the collateral securing it in bankruptcy proceedings. These responsibilities include but are not limited to the following:

(1) The lender will file a proof of claim where necessary and all the necessary papers and pleadings concerning the case.

(2) The lender will attend and, where necessary, participate in meetings of the creditors and all court proceedings.

(3) When permitted by the Bankruptcy Code, the lender will request modification of any plan of reorganization whenever it appears that additional recoveries are likely.

(4) The Agency will be kept adequately and regularly informed in writing of all aspects of the proceedings.

(5) In a Chapter 11 reorganization, if an independent appraisal of collateral is necessary in the Agency's opinion, the Agency and the lender will share such appraisal fee equally.

(b) *Reports of loss during bankruptcy.* When the loan is involved in reorganization proceedings, payment of loss claims may be made as provided in this section. For a liquidation proceeding, only paragraphs (b)(3) and (5) of this section are applicable.

(1) *Estimated loss payments.* (i) If a borrower has filed for protection under Chapter 11 of the United States Code for a reorganization (but not Chapter 13) and all or a portion of the debt has

been discharged, the lender will request an estimated loss payment of the guaranteed portion of the accrued interest and principal discharged by the court. Only one estimated loss payment is allowed during the reorganization. All subsequent claims of the lender during reorganization will be considered revisions to the initial estimated loss. A revised estimated loss payment may be processed by the Agency, at its option, in accordance with any court-approved changes in the reorganization plan. Once the reorganization plan has been completed, the lender is responsible for submitting the documentation necessary for the Agency to review and adjust the estimated loss claim to reflect any actual discharge of principal and interest and to reimburse the lender for any court-ordered interest-rate reduction under the terms of the reorganization plan.

(ii) The lender will use Form FmHA 449-30 to request an estimated loss payment and to revise any estimated loss payments during the course of the reorganization plan. The estimated loss claim, as well as any revisions to this claim, will be accompanied by documentation to support the claim.

(iii) Upon completion of a reorganization plan, the lender will complete a Form FmHA 1980-44 and forward this form to the Finance Office.

(2) *Interest loss payments.* (i) Interest losses sustained during the period of the reorganization plan will be processed in accordance with paragraph (b)(1) of this section.

(ii) Interest losses sustained after the reorganization plan is completed will be processed annually when the lender sustains a loss as a result of a permanent interest rate reduction which extends beyond the period of the reorganization plan.

(iii) If an estimated loss claim is paid during the operation of the Chapter 11 reorganization plan and the borrower repays in full the remaining balance without an additional loss sustained by the lender, a final report of loss is not necessary.

(3) *Final loss payments.* Final loss payments will be processed when the loan is liquidated.

(4) *Payment application.* The lender must apply estimated loss payments
